The Daily Press. HONGRONG, JANUARY 1614, 1869.

THE popular idea at home, and even at som of the outports, concerning the defective Government of Longkong, is one of the many thought by a large number, that this colony is infested by lawless characters of every kind

and description, and that it is scarcely safe to walk any of the streets without revolvers. The idea may be classed in the same category. as that of the China trader, who is represented at home in every dark tint that can for a postponement. The principal asset would be be devised, while the native is painted as the innocent lamb that is sacrificed to this fierce, and yoracious wolf. There is as little truth case. The matter of a final discharge would be selves and make profit out of their own labor, in the one representation, as in the other, completed, and in successful operation, and the foreign merchant, at all events at the present day, being far more sinned against estates that had passed through this court, of sir months the managers make a very entire than sinning. Both errors arise from a common cause, namely, that as a rule, attention the most substantial manner, is of the following at home is only attracted to China, either in delusion and a snave, and the court was used report for six months, work, and it is equally dimensions: Extreme length 450 feet, length time of war, when disorders are certain to be for purposes it was never intended it should gratifying to know that \$7.676 have been spent prevalent, or in reference to some excep-
